### **Equipment, safety**

- Competitors' equipment must comply with the MVSZ safety regulations! It is MANDATORY to wear armpit protectors with a minimum of 800 NW marking for protection against punctures, 350 NW marking for fencing clothing and 350 NW for head protection for all age groups.
- There will be headgear control at the competition! Associations should pay close attention to the most important protective equipment: headgear should be checked by a professional (Associations should bring a spare mask so that they have a replacement in case of a damaged mask. The FIE rule: "If the headgear is not in conformity with the regulations, it shall be visually rendered unusable by the person carrying out the inspection in the presence of the fencer concerned and/or his team captain.") Headgear painted with a scary pattern is not allowed! Custom painted headgear may only be used with the written permission of the MVSZ!
- U11 competitors may only use mini guards and zero size blades! Of course, the other characteristics of the weapons - weight, gap, blade curvature - will be checked by the competition referees.

### **Awards:**

The first eight places in each event will be awarded a medal.

### **Registration for coaches:**

**We ask sports organizations to register their coaches via the following email address ([honvari.reka@gyac.hu](mailto:honvari.reka@gyac.hu)) Only registered coaches will be allowed onto the slopes! Registered coaches will be provided with an entrance card. Parents are not allowed onto the competition area, but we will provide space for them around the slopes, in the stands.**

### **Other:**

- Parking: Parking is free in the area of the sports facility. The Olympic Sports Park has its own car park, which can also be used free of charge.
- The presence of a doctor will be ensured by the organizers.
- The organizers will not be held responsible for any objects or equipment left in the dressing room or abandoned in the hall!
- During the competition PBT Hungary Kft. will sell fencing equipment on site
